Excellence in Education with Islam

**Assalamu Alaikum,**

During these unprecedented times, it is more important than ever for our children to be firm in their beliefs and their Islamic identity. PVS is continuing to deliver a rigorous education that prepares today's students and tomorrow's Muslim leaders for success in this life and the hereafter.

*“Who is it that will loan to Allah a beautiful loan, which Allah will double unto his credit and multiply many times? It is Allah that giveth (you) want or plenty, and to Him shall be your return.”*

*[Al-Baqarah 245]*

Following the Covid-19 guidelines, PVS rapidly transitioned to an online learning environment utilizing technology investments previously made with your generous support.

PVS students and staff continue to make you proud

PVS was recently named as one of the top five schools in Memphis by the Memphis Business Journal, a testament to a strong track record by which PVS performs exceptionally well in local, state and national competitions and consistently places its graduates in top colleges throughout the nation.

In addition, several students have recently completed their Ijazas and Memorization of the Holy Qur'an.

## Our Need for 2020-2021

Despite the circumstances brought about by Covid-19, PVS continued serving the Muslim youth with a robust remote learning program.

The speed with which the faculty and staff brought about this program was made possible by your generous contributions.

We are counting on your continued generosity this Ramadan following the Prophet Muhammad (SAW)'s Sunnah.

Our financial need for this year is \$650,000:

- \$250,000: School Operations
- \$400,000: Building Expansion

### GENEROSITY IN RAMADAN: FOLLOWING PROPHET MUHAMMAD (SAW)'S SUNNAH

During this blessed month of Ramadan, the month in which Prophet Muhammad (SAW) was more generous than in any other month and the month in which Allah (SWT) multiplies our good deeds many times over, we call upon you to invest in the future of the Muslim youth of Memphis.

Our beloved Prophet Muhammad (SAW) advised us that after we die only three things will continue to benefit us: an act of charity whose benefit endures, knowledge that benefits others, and a righteous child who prays for you. By supporting PVS and educating Muslim children, you can receive all three of these timeless blessings.

### OUR NEED IS \$650,000

Your continued donations will enable us to continue providing the critical services that the Muslim children and youth of Memphis deserve.

At this critical time, we debated the rationale of delaying construction, but in line with the need to maintain a level of social distancing even after we return to school, we know that increased space is needed now more than ever to provide the kind of environment our students need to thrive.
